### **Work Certificate**

#### **Employment of Students**

The Superintendent of Schools will make provision for the issuance of work permits to students between the ages of fourteen (14) and sixteen (16). In addition, principals/designees and District employees holding a student service certificate and, who is authorized by the Superintendent, may issue work certificates to students who are attending their schools. Employees with authority to issue certificates may not issue a certificate to their own child.

Principals issuing work certificates will provide self-certification that the principal understands the legal requirements for issuing work certificates. The principal issuing a work certificate will submit a copy of each certificate and the certificate application to the Superintendent. The Superintendent may revoke a certificate issued by a principal if the Superintendent becomes aware of any grounds upon which the student may be ineligible for a work certificate.
