Cardiopulmonary/Heimlich Training

Beginning no later than the 2017-18 school year, students will receive thirty (30) minutes of cardiopulmonary resuscitation instruction and training in the performance of the Heimlich maneuver or other first aid for choking. Students will receive this training at least once during the student's four years of high school. Instruction will be included in the District's existing health or physical education curriculum. Students with disabilities may participate to the extent appropriate as determined by the student's IEP or §504 Plan.
