2. Monday April 6th from 4 p.m. - 6 p.m., parents/guardians will be asked to drop off their children(s) current education packet into the correct drop off box, one for K-2 and one for 3-6. These boxes will be on tables that will be set up under the entrance roof directly in front of the high school's main entrance doors. At the same time, parents may pick up the new packets for the next time period.
3. Each teacher should have activities for all main subject areas in the packets.
4. Special teachers need to email the classroom teachers or give to them on Thursday/Friday at least 4 activities for the teachers to include in their 2 week packet.
5. Monday April 20 will be the next packet drop off and pick up date, following the same procedure as April 6.
6. Teachers please email and or message your parents with this very important learning opportunity for our students.
